Office Chair Catalogue
Fourth Edition

PCCL Office Equipment – Excellence in Office Seating Since 2015

At PCCL Office Equipment, we take pride in being a trusted supplier to dealers and retailers in the Office Furniture Industry. Since our establishment in 2015, we have built a reputation for providing high-quality imported office chairs, showcased in both our digital and printed catalogues.

A Decade of Dedication

This year PCCL is celebrating **10 years** in business. Our longevity is a testament to the exceptional service and quality we provide. We are committed to offering prompt, personalized support and high-quality products at competitive prices—all while ensuring reliable, on-time deliveries. Our goal is to continue fostering strong, long-term partnerships with our dealers.

Our Journey & Leadership

Originally led by Cindy, PCCL gained new momentum when Pierre joined full-time in 2019. With more than 20 years of industry experience, Pierre's expertise has been instrumental in strengthening relationships with dealers and retailers alike.

As the business grew, so did our team. In 2023, we welcomed our Operations Manager, Duan de Wet, to streamline daily operations and our Digital Marketer & Designer, Martinique de Wet, to enhance our online presence. Their contributions have significantly improved our efficiency and customer service.

10 years filled with growth, innovation, and stronger client relationships. With a decade behind us, we continue to refine our processes and elevate our service standards.

Stock & Logistics

Our warehouse has become a cornerstone of our operations. Over the past year, we have nearly doubled our stock value, increasing to R15 million in stock. This strategic expansion allows us to serve our clients more efficiently, reduce lead times, and align our inventory with growing demand.

Efficient & Flexible Deliveries

To support our expanding operations, we upgraded our 5-ton vehicle with a closed-body extended trailer, increasing our delivery capacity. Orders can be shipped boxed or pre-assembled (assembly must be pre-arranged at an additional fee). Our deliveries take place every Tuesday and Thursday.

Quality You Can Trust

With a decade of expertise, we maintain strict quality control standards, ensuring all products are thoroughly inspected before reaching our clients. Every chair carries a factory guarantee against defects in workmanship (excluding normal wear and tear or misuse).

Looking Ahead

As we celebrate 10 years of success, we remain committed to innovation, efficiency, and above all, customer satisfaction. Thank you for being part of our journey—we look forward to the next decade of excellence!
